McNeil Security Inc., located at the Greater Rochester International Airport, launched a funding project to collect books for student in the Quad A for Kids after school programs in Schools #4, #16, and #34. Members of the Employee Advisory Committee at McNeil canvassed community libraries and discount stores. They were delighted to learn that the stores and outlets they visited offered them discounts on books and school supplies once they learned it would be donated to Quad A.

On February 25<sup>th</sup> Casper DeMauro, Sharda Lloyd and Kelly Gee delivered ten boxes of books, and several more boxes containing school supplies including calculators, rulers, LEAP Pad's, world wall maps, pencils, writing pads, sketch pads, markers, erasers, pens, glue sticks, bookmarks, construction paper, audio-books, chalk, crayons, math games, vocabulary games and reams of computer paper.

The group will be recognized in May at our End of the Year Celebration at each school. On behalf of our kids, **“Thank You!”**
